

HEATWAVE

JAZZ AND SHOW BAND

For Your Musical Enjoyment

Heatwave Jazz and Show Band was formed in the fall of 2007, as part of a program started by The NAMM Foundation, to further enhance the music programs offered at the Boys & Girls Clubs.

Based in Palm Desert, California, "Heatwave" is funded entirely from grants and donations. In addition to the original grant from NAMM, the Anderson Grant Foundation helped to get much needed instruments and equipment to fill out the band, Now the band survives solely on donations from organizations, and patrons at performances. There is no cost to the students to participate in the band.

The group's repertoire includes everything from Glen Miller to Black

Eyed Peas. We play arrangements from the libraries of Count Basie, Stan Kenton, Duke Ellington, Buddy Rich, Glen Miller, Tonight Show Band, Ray Charles, Kenny G, Airmen of Note, Led Zeppelin, Fleetwood Mac, Duffy, Chuck Mangione, Quincy Jones, Booker T and the MG's, Tower of Power, Maynard Ferguson, Michael Jackson, Pink, Black Eyed Peas, Lady Gaga, and many others.

We hope you enjoy the show!
